We Are Leader in LOGISTICS INDUSTRY

The idea for QUICKCOM EXPRESS was conceived while our company's founder, Mr. VIJAY VISHWAKARMA, was managing an EXPRESS delivery business.

Satisfied Customer

How We Started

QUICKCOM EXPRESS began with a vision to revolutionize the logistics industry by providing fast, reliable, and customer-focused services. Founded by a team of industry experts with years of experience, we identified the need for a seamless courier and logistics solution that could bridge the gap between businesses and consumers.
